

## Mid-Pacific Institute 2008 Project Graduation

February 1, 2008

Dear Parent(s)/Guardian(s) and Seniors:

Graduation and Project Graduation are two very important events that are quickly approaching. Project Graduation is open to all graduating seniors, and is a celebration to culminate their years at Mid-Pacific Institute.

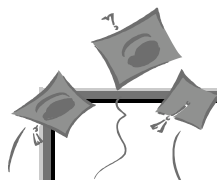

Project Graduation is a parent sponsored event made possible by the support of parents and other donors. It promises to be a great night that the graduates will always remember.

Please complete the enclosed Parent/Guardian Authorization form and return it to us in the enclosed envelope by Monday, March 3, 2008. Or you can fax or email it (both sides) to Lisa Reed at the Office of Institutional Advancement at 973-6134, [lisareed@midpac.edu](mailto:lisareed@midpac.edu).

Mid-Pacific Institute's graduation will occur during Memorial Day Weekend. The Project Grad committee is working with Memorial Day volunteers who will be accepting donation of **floral leis**. If you would like to donate, please bring your floral leis to the Project Grad registration check-in area in front of Bakken Auditorium. **(Parents, please remember you must accompany your graduate to the Check-in table and sign in for Project Graduation.)**

We look forward to sharing a fun-filled and memorable evening with you. If you should have any questions, please contact Colette Kinoshita at 783-1551 (cell), [greenfolks@hawaii.rr.com](mailto:greenfolks@hawaii.rr.com) or Sandy Kaneko at 221-5220 (cell), [kanekos003@hawaii.rr.com](mailto:kanekos003@hawaii.rr.com).
