

Angel Buddies

This year, to help us celebrate the holidays, the Magical Pueos will be having Angel Buddies. Everyone will pick another student's name and become their Angel Buddy for the last week of school. We will be doing special things for our Angel Buddies. The following is a calendar of the special days and themes we will be doing:

Monday, December 17 - Bookmark Day!

Angels, please make a bookmark for your buddy. Think of things that your buddy likes and design a bookmark. Make sure you **SECRETLY** present it to your buddy.

Tuesday, December 18 - Holiday Card Day!

Design and create an original card for your buddy. It's best when you make it yourself, so don't buy one! Get creative and have fun!

Wednesday, December 19 - Paperback Book Gift Exchange!

Choose a favorite book to give to your buddy. Share the love of a good book! Write your buddy's name on the outside of a tag or card. On the inside of your wrapping reveal your identity by saying who it is from. We will send home a wish list to help you choose.

We will be keeping our identities a secret throughout the week, but you will reveal yourself on the last day when your buddy opens their paperback book. The spirit of sharing, giving, and doing something nice for someone else is the key to making this special week a success! Happy Holidays!
